

Airuite Q1G Pure Electric Washer

Pure electric three-wheel washer for flushing, scrubbing and small-advertisement cleaning on non-motorized lanes, sidewalks and alleys.

Highlights

- High-pressure flushing up to 20 MPa
- 500 L water tank
- Front + counter-flush + hand gun
- Compact three-wheel layout

Technical parameters

Cleaning width	5.0 m counter-flush
Bin / tank capacity	500 L water
Battery	LiFePO4 76.8 V / 150 Ah (11.5 kWh)
Operating time	> 3 h
Operation	Operator-driven
Max speed	20 km/h
Overall dimensions (L × W × H)	2220 × 1100 × 1800 mm
Gross weight	1200 kg
Curb weight	620 kg
Voltage / rated drive power	72 V / 3 kW
Water pump rated power	4 kW
Water pump pressure & flow	20 MPa / 15 L/min
